

AYAN KHAN

REACT DEVELOPER

E: ayan78395@gmail.com

P: +91 7694080290

A: 84 vallabh bhai patel marg Ujjain

PROFILE

As a passionate React developer, I have worked on various projects that showcase my strong technical skills. I am always eager to learn new technologies and improve my expertise, ensuring I stay up to date in the ever-evolving world of web development

INTERNSHIP EXPERIENCE

AFFIMINTUS TECHNOLOGIES – PVT. LTD

I worked as a Software Developer at Affimintus Technologies for 6 months, where I contributed to various projects by developing, testing, and maintaining software applications.

☐ Collaborating with Teams ☐ Design and Planning ☐ Requirement Analysis

PROJECTS

☐ Food website

Chicken Wala Food Delivery is a React-based food ordering platform that allows users to browse a wide selection of chicken dishes and place orders seamlessly.

☐ Weather app

WeatherNow is a React-based app providing real-time weather updates and 7-day forecasts for any location. It features a responsive design and integrates APIs for accurate weather data.

☐ Whatsapp clone

This WhatsApp Clone is built using React and Firebase, offering real-time messaging with user authentication, chat rooms, and message storage. It features a responsive UI, live message updates, and secure data handling through Firebase's backend services.

EDUCATION

☐ 10th & 12th

2018- 2022
model high secondary
school

☐ B-COM

2022-2024
vikram university
